

RESPONDING TO THE GREAT RESIGNATION & QUIET QUITTING OF YOUNG PROFESSIONALS & ENTREPRENEURS THROUGH COWORKING & COLLABORATIVE WORKSPACE

THE MISSION

Why Re-WORK?

OVERVIEW

A transnational initiative developing a flexible, user-centered vocational (VET) programme on Coworking and Collaborative Workspaces (CWS), designed to respond to the great resignation and quiet quitting among young professionals across Europe.

CORE OBJECTIVE

To increase the work-based skills and key competences of young professionals, freelancers, and entrepreneurs by introducing tailor-made VET resources and tools on collaborative business models, coworking methods, and work-life balance.

TARGET GROUPS

Who we serve

VET providers, educators and trainers

who provide continuing VET programmes to professionals to increase their work-based skills and adapt to labour market needs.

Young professionals & Freelancers

who are usually more attracted by Coworking and CWS as they wish to reduce individualised risks and benefit from interaction with other professionals, but also as they offer opportunities for flexibility and autonomy.

VET learners and Professionals

interested in increasing their skills and competences in collaborative business models and the Coworking and CWS methods.
